PERSONAL STATEMENT

I am a person with high commitment and good technical skills. I spent most of my time in school engaging in active clubs, STEM outreach programs, associations and social groups. I love volunteering in my society. I am going to graduate next year from Addis Ababa University in Electrical and Computer Engineering micro-electronics stream. Currently I am attaining Entoto Summer Tech Fellowship on Web development. I am passionate to work as a web developer, also I have a great communication skills and experience in organizing events.
