PERSONAL STATEMENT

Electrical and computer engineering student, aspiring software developer and leader.

-I am a hardworking and ambitious individual with a great passion for technology and leadership. I am currently in my forth year of studying Electrical and Computer Engineering at AAiT. I have excellent communication skills, enabling me to effectively communicate with a wide range of people. I am seeing a part-time position in the industry in which I can put into practice my knowledge and experience, ultimately benefiting myself and the operations of the organisation that I work for.
